Mr. Parrotson

M. Boring's file is in circulation.

He has not yet been given the permanent T.T. appointment
but I understand that he will be permanently
appointed & he is satisfied with the salary offered.
It is a N. Salaries question (with Dr. Fawcett)
but the decision has been delayed.

The revised salary of an Assistant
Professor is £300 - £300 - £300, and

therefore see his objection to the paper before
the Estimates.
