approved the utilization of the sum of £9,912 mentioned above, together with an amount of £568, which remains unspent under item 17 of same Schedule. This gives a total of £10,480, leaving a small balance of £551 which can be found by Mr. Cooper from "Extraordinary Expenditure - General Engineering Works".

I trust Your Lordship will feel disposed to sanction this re-allocation of expenditure.

I have the honour to be,
Your Lordship's
humble, obedient servant,

ACTING GOVERNOR.

It is no longer a duplicate, for
C.P.P. of 15 May 10:45 - they had
800 up to 300 by the end of May, but
I find in the register a well definite
amount of the 10th of May, in the
primary the calculation.

[Faint, mostly illegible handwritten notes and sketches, possibly including a diagram of a tree or plant structure.]

I have been told on June 7, 20
of this time, that of the conifer on the
corrupt case word subtree, that indeed
started as subtree - my sub of the tree,
the subtree at any conifer as sub (country
"sub") - not the other as I think.
