THE RIGHT HONOURABLE
VISCOUNT MILNER, P.C., G.C.B., G.C.M.G., &c., &c.,
SECRETARY OF STATE FOR THE COLONIES,
DOWNING STREET.

AUG 1 1918

18th July 1918

reference your B.1882/11 of 2nd June.

I regret the delay in replying to the points raised in the Colonial Office despatch but it has been caused through the necessity of frequent references to and from Civil Administration Ser-ge-Salson and shortage and continual change of staff at the Chief Registrar's Office.

I will deal with the War Office observations as follows:

1. Guam and Enemy Territory

This matter is still under consideration between the Chief Registrar, S.A.P.C. and Treasurer Ser-ge-Salson but as far as can be ascertained at present the necessary adjustments were all effected in 1918/19 with a 1% of my 1918/19 report on military accounts.

2. Madia Island

This is dealt with in a 12% of the report of the Acting Director of Military Audit, for the year 1917/18.

3. Prisoners of War

For reasons stated in para 113 and enclosures hereto of the audit report on the Military Accounts for year 1918/19 it is desirable to have the full information required. The Chief Registrar has, however, prepared a schedule, copy enclosed, of all payments to officers, privates and other military and naval and military officers here locally. I also enclose a further copy of the statement also submitted with my 1917/18 report, showing the signature on Prisoners of War under the year 1918/19.

The Chief Registrar,
Madia Island.

1. Colonial Economy Territory

2. Marian Islands

This is disposed of by para 122 of the report of the Acting Director of Military Audit, for the year 1918/19.

3. PRISONERS OF WAR

For reasons stated in para 113 and enclosed hereto of the Audit report on the Military Accounts for 1918/19 it is desirable to give the full information required.
