Allocation of new Forestry Officers - East Africa

~~Mr. Packer~~ W. H. Stanley

The vacancies we have to fill at present are :-

- E.A.P. 4 (3 new appointments + 1 vice Grant)
 - Uganda 1 (urgently required)
 - Nyasaland ~~2~~ 1
- ~~4~~ 6 need

The candidates we have are :-

- Brasnett (Cambridge) Passed & ready to go
- Barfield (") " " " "
- Rammell (Oxford) Passed but will not finish course till end of Sept
- Horton (") " " " "
- Clements (Edinburgh) No news of passing

The first two want to sail on Aug 5th and it seems clear that one of them must go to Uganda, though neither of them wants to.

Capt. Brasnett was the first to register a claim for E.A.P. so I think Mr. Barfield should go to Uganda.
