This enables us, I think, to settle the complications which have arisen on 4/2/21 without difficulty.

As the commission is charged with all payments made on the office for buying Imperial Pension on behalf of H.M.A. we cannot refuse the charge made on payments on behalf of Kenya, or, I think, receive it from the office.

Approve of C.A.'s action in having charged the £13.10 to H.A. funds
