The Ordⁿ follows the wording of the Finance Act 1911 (copy attached to Treasury 1220) as to the purposes for which the loan was made, but it would have been better, I think, to append a schedule showing exactly how the amount of £250,000 was to be applied viz:-

	£
Tika Tramway	60,000
Mombasa Water Supply	90,000
Deepwater pier at Kilindini	100,000
	£ 250,000

part of the loan to all sorts of other
as coming within the general
of railway communication and
and could spend £10,000 or
on a water supply for Mombasa.
ie, the allocation of the loan has
all quite precisely, & the Govt would
of applying the funds except in
as prescribed by the S of B. It is
hardly necessary to worry them
and the Govt in this respect.

The first two paragraphs of the Ordⁿ look
of ought to change places, but I am
versed in these matters as to

know.

As the Treasury are concerned to
know that proper authority exists for the
payment of the loan charges, send them
by the Ordⁿ or say that it is
proposed unless they have any observations
to offer to signify non-disallowance?
