GOVERNMENT HOUSE
BRITISH EAST AFRICA

Nov. 5. 1915

Dear Dr. Davidson,

Your letter regarding Mr. Brown
reached me by last mail. I am glad to hear
of him. He is well respected and
popular, and I should be glad to do
anything I can for him. But my feeling is
that it is a mistake to recommend him
to the British Government. I have
known so many others who have
been to find that Government is a
great deal of what their own
people are of them.

discontent and a loss of interest in the
work, and an irregularity in 1916, which
show that there is some probability of
his not being able to continue his
work in the future. And of course
this is a very serious matter.

However, there can be no possibility of
his leaving his present duties during the
continuance of the war, and it is
likely that he will probably be
able to continue his work in
the future in S. S. A.

I shall be glad to hear from you

I have made a note of his case
and will be sure to have it
settled as soon as possible. I am
glad to hear that you are
working hard and hope to be
able to continue your work in
the future.

Remember me to your
family and to
all the folks.
