## LANDS ON LAIKIPIA

States facts as to promises made regarding grants. Quite satisfied that the Govt is under legal obligation to fulfil them when Masai move complete. Attorney General agrees. If Laikipia now refused anticipates gravest results. Requests to be informed by telegram whether instructions contained in C.O. despatches No. 624 are to be acted upon or suspended pending further instructions.

Mr G. Zoller

It is scarcely credible that official in S. P. G.'s position could have acted in the manner. Our telegram of the 5th of Oct. asked quite definitely whether any and if so what action has been taken already in the way of parting or promising such rights - & Mr P. G.'s reply on the 7th of Oct. was equally definite, "no rights have been parted or promised to Europeans in connection with the Reserve". It will be seen from the

letter on 11/24/10 from  
the month of 2/27/20/11 that we  
that there was something wrong,  
I do not think that we are expected  
find that we had been let in to  
extent of being practically placed  
under a legal obligation to hand  
over no less than 200,000 acres  
dislike. The S. of S. has been  
pleased by Sir P. G.'s action is an entirely  
false position & if the latter had been still  
the service, he would have deserved instant  
dismissal. The position is now a most  
difficult one, but I think that  
we should stick to what we  
have said & our despatch No. 624 of  
the 25th of Sept. & let the white  
settlement do their worst. It is absolutely  
out of the question to let them go  
into Likiapi & that being so, there is  
no other alternative that I can see.  
Telegraph to the fir accordingly?

I don't agree. We cannot assume - or  
as an assumption - that the settlers in

& that the <sup>late</sup> Gov. has been their tool. Unless that  
was so, the settlers have already been gravely  
prejudiced: the fault of the Gov. has been placed  
on them and facts must be kept distinct from the  
nature of your quarrel with the Gov. Otherwise  
there may be the "worst results" - I think  
cannot be allowed to go to Likiapi, but  
for the selfish desire to stop this matter  
by sufficiently liberal compensation in land  
elsewhere. The position of the S. of S. can then  
be preserved by the action of a full statement  
of the unsavory facts that have rendered it  
necessary.

But first we want the facts and I  
will be glad to see them here.

When we get the facts we must try to get some  
explanation from Sir P. G. At present it looks very  
ugly indeed.  
V. H. 15.10

I agree. Sir P. Girouard must have an opportunity  
of explaining, presently, as the facts will have  
to be made public. 25.10
