Mr Harris.

This sort of despatch is very far from satisfactory. Ought not the Govt to be asked to be more explicit.

I agree, but he answers categorically the re question as put to him. I doubt if we can worry him further in their case.

I kept this to consider further as can counter Mr. H. all the same and as reply is

needed at present. We may perhaps see that he
is not here or with the C. Agents; and

Mr Harris.

I am afraid it is useless for us to note him.
He applies for East Africa but the Governor does not
consider him to be a suitable candidate for employment
in that Protectorate. None of the other Colonies or
Protectorates for which we act can be called "healthy"

Mr Martin,

I don't think the Gov's view need
rule him out - though of course we should
have consulted him. He writes without knowledge.
But I don't want to trouble you to note him
if you really see no chance of your success.

Dear Mr. Eric Swanson

RAFT

Ch. Eric Swanson
Kona, CA.

I have received your letter
of the 6th inst. and have looked
up the Captain's papers. His
name is noted for consideration
on the occasion of another review
and your recommendation that
I name him is noted, but
I fear there is comparatively
little chance of it being
found possible to offer him
reemployment.
