No. 209. Your telegram 27th November recruitment of Kikuyu labour for coast ^{stopping} last July on account of high mortality. Statistics satisfy me that course correct. Present position is that recruitment from this source sought only by Nyali Syndicate and East Africa Syndicate. Prohibition was removed in case of Nyali; East Africa Syndicate have applied to me; am making enquiry whether possible to effect such improvements in conditions of residence and service as will justify removal (of) ^{prohibition}. Possible to permit recruitment Kikuyu for coast, only if adequate measures taken by employers to prevent sickness.
