KILINDINI WHARVES
ELECTRIC LIGHTING

Explains that any installation required for providing power for working the cranes or other purposes would have to be entirely separate and much more extensive than the existing small lighting plant.

Mr. J. Anderson

To be on the safe side, send
copy of our despatch on ^{Dr} 33174/12 with
copy of this to the C.A. & ask them
to forward the correspondence to the C.E. in
order that Mr. Wilson may look into this
matter also during his visit?

No. 850.

184

Sir,

y/h
33174
12

With reference to paragraph 2 of your despatch No. 751 of the 9th ultimo^x respecting the Electric Lighting of the Kilindini wharfs, I have the honour to report that the plant referred to is not of sufficient capacity to be of any great use in providing power for working the cranes or for other purposes.

2. Any installation required for such an object would have to be entirely separate and much more extensive than the existing small lighting plant, which could however, in the event of the adoption of the more ambitious scheme, be utilized with advantage at various points.

I have ^{etc} the honour to be,

Sir,

Your humble, obedient servant,

A. Conway Beejied.

GOVERNOR.

THE RIGHT HONOURABLE
LEWIS HARCOURT, P.C., M.P.,
SECRETARY OF STATE FOR THE COLONIES,

State

9 Jan'y. 1913.
Gentlemen,
With refer- to the letter
from this Office of the 1st of Nov^r *
directed by Mr. Sec. Harcourt
I am ~~to~~ to inform you that
transmit to you a copy
of correspondence with the
Gov. of the E.A.P., relating
to the electric lighting of
the Kilindini wharves,
and to request that you
will forward it to the Consulting
Engineers in order that Mr.
Wilson may look into this
matter also during his
forthcoming visit to the Port.
in connection with the proposed deep
water pier at Kilindini.
