Mr Harris.

I am afraid he will have to go.

E.A.P. 42004/06 shows how we got him from the Tread

Tread Police, which force he left by resignation.

He did not hold Commissioned rank there, & he has not held it in the E.A.P.

There are no reports on his service in East Africa, which has been short.

the number of ~~candidate~~ applicants, many of whom  
have already held commissioned rank is so large  
that Lord Howe regrets that he can hold out  
virtually no hope of being able to meet the  
number for a further app't.
