Agreement with Nat. Bank of India

Enquires whether a formal agreement is required for effecting proposed amendt. of clause 16, or whether an exchange of letters would be sufficient.

~~Mr. Tompkins~~
Sir G. Fildes.

See Sir R. Antrobus' l^r attached to 27661. A formal agreement seems to be scarcely required for this small amendt.
Reply that an exchange of letters ~~will~~ be sufficient?

I am afraid that if any importance is attached to this alteration it must be made under seal - otherwise we shall not be able to enforce s. 16. If the Bank fails to keep a branch at Nairobi there can be no variation of document under seal (as this is 1 further) except by another document

under seal, or in this case there
is no consideration on the
part of the Bank to support
the new agreement. Such
makes a deed necessary in that
ground also.

You will recollect that in his despatch No. 500 of the 18th August 1910, the Governor of the East Africa Protectorate merely suggested that advantage should be taken of the opportunity which would be afforded by the proposed amendment of clause 10 to get the words "or Nairobi" inserted in clause 16.
