investigated the matter
on the spot.

2. W. Harcourt
deems it to be incorrect that
as soon as that ~~W. Wilson~~ ^{assumption}
his concurrence is based on the ~~understanding~~
will be able to leave
that Mr. Wilson will be able to proceed to
for Kalandini ~~at~~ by
the steamer leaving Marseilles on the 7th
the ~~end~~ of January
she trusts that his
departure will on no
account be postponed
beyond that date.

Also
I have, I hope,
strengthened it. If he
doesn't reach England
till 20th, we don't end
any difficulty about
not being able to get his
baggage over a time
lost.

Sir,

I have the honour to acknowledge the receipt
of your letter No. 36686/12, dated 26th. November,
inquiring as to the progress in connection with the
electric lighting materials and steam cranes recently
demanded for the improvement of the Port of Kilindini.

2. I enclose a copy of a letter from the
Consulting Engineers from which it will be noted that
no time will be lost by them. We have since received
the specifications for the electric lighting materials
and everything possible will be done to expedite matters.

I have the honour to be,

Sir,

Your obedient Servant,

Messrs. Rendel & Robertson to Crown Agents

anda Rly. 2106 & 2107.

3rd. December, 1912.

The Specifications for the electric lighting materials are in hand, and we will send them to you in the course of a few days.

With regard to the Cranes it has been necessary to refer some technical matters to the crane makers, and it may be a few days before we can obtain the necessary information to enable us to deal with this matter. No time will be lost as soon as we can act.
