Col. Villiers called yesterday + told me that the Syndicate had got the Buvil Co^y to take over the concession - a new Co^y to be formed with a million $\frac{1}{2}$ shares - £62,500 to go to the S-A. Synd. £125,000 as working capital, £62,500 animal. We are to have a Co^y as soon as possible.

Ack: say that Mr Harcourt understands that the Syndicate are arranging for the transfer of their concession to another Co^y + that no steps need be taken for the present with regard to the suppl^y agreement.

Sir,

In reply to your letter of the 11th December,
 No. 30362/1912, I have the honour to ^{transmit} to you
 a copy of a letter which we have received from our
 Solicitors showing the present position with regard
 to the proposed supplemental agreement with the East
 Africa Syndicate Id.

The second copy of the print of the draft deed
 which you requested us to send to the Syndicate was
 forwarded to them by our solicitors on the 15th
 October. They have since pressed them repeatedly to
 proceed with the matter, but apparently with little
 result since we are informed that they have this
 morning received a reply from the solicitors of the
 Syndicate saying that the draft deed has not yet been
 returned to them by their clients.

I have the honour to be

With further reference to [redacted] letter of the 18th ultimo we have to inform you that we have on several occasions written to the Solicitors for the Syndicate requesting them to return the draft Deed modifying the Lease of the 12th July 1904 approved, and they have informed us that the gentleman attending to the matter in their office was away but was re-
returning the middle of this week.

We have accordingly again written them to day asking them if they will be good enough to return the draft Deed approved by them at their earliest convenience.
