Mr. Butler

We have all the facts - requests for the
first part of the question - see 27216/12
As to the length of Sir Percy's
governorship -

Normally, colonial governorships
are for six years. In this case,
there is nothing to indicate anything
unusual in the length - so far as
the C.O. is concerned; but see 27216/12
in which the W.P. have laid it down
that the minister will hold the appointment
beyond 3 Feb. 1913. So however Mr.
Rend's interpretation of that reply in
the minutes on the paper.

To W.O. on 17 May
if he reminded 28 June

Embassy Paper

Mr. Secretary Harcourt.—Sir Percy Girouard is at present on leave in this Country, and is due to return to the Protectorate early in August.
As regards the last part of the Question, it is customary to confine a Colonial Governor's term of office to six years from his assumption of the administration. [136A Misc 1912]

H. J. L. L. L.

I was sent to Sir P. Girouard Weekly
a copy of his letter — 2726/09 —
and enquire whether he proposes
to resign his commission or
to revert to the Army in Feb. next.

I do not think we are entitled to
assume officially that this is what the W.O.
letter of the 3rd of August 1909 means.
Unless Sir P. Girouard, who might be asked
personally, can say precisely what it does
mean we must tell the W.O. that he is due
to return for another term of service
in August, but that this would conflict

Dear Acad.

Sir Percy has sent
a to me. He spoke to me
about it & quite agrees with
what you say & to do it.
How can you do it without
going off to Sir G. M.
Rendel & Asherton.

Yours truly
