Termination of App.

Express thanks for treatment. Requests further leave on half pay - receives employment.

W. Read

He served less than 6 months after being permitted to return as a last chance (see our letter to him of the 2<sup>nd</sup> of Sept. last on <sup>W.A.</sup> 27925/09). We have treated him not badly in giving him his passage home & full pay for the voyage. We might give him a month or half pay from the 16<sup>th</sup> of May inclusive to cover the period of his getting fit for employment in this country, but I think that is all.
