Respects to withdrawn application made on behalf of  
A. H. Heatley, J. H. Heatley & L. J. Gale & asks that  
the 5000 acres already allotted to himself may be  
increased to 10000 acres. Request early decision in  
order that Land Office may be kept in comm. with Survey

Mr. ~~Heatley~~ Fiddes

Please see the minutes, particularly the latter  
ones, and the telegram on Gov/11970.

Mr. Heatley now abandons his application for  
5,000 acres each for himself and his three partners, and  
asks for 10,000 acres in all, namely the 5,000 applied  
for in his own name, which we have already consented to  
allow, and an additional 5,000 also in his own name. This,  
be it noted, is the extent to which the Secretary of State  
indicated his willingness to go in the telegram of the  
7th of May. <sup>Gov</sup> 11970

I think the application might now be allowed,  
as proposed in my first minute on 11970, to his  
Loving new holdings such a number of Europeans  
reasonable.

So inform Mr. Heatley, and tell the Governor  
what has been proved, adding that this is

From Hugh H. Kealey, Nairobi, Kenya, P.O. & A.  
to The Under Secretary of State for the Colonies

Sir, I have the honour to write to you with reference to my applications for grazing land at Londiani, British East Africa, on behalf of A. H. Westwood & H. Westwood & Co. I now wish to withdraw these applications.

And ask that the 5000 acres already allotted to me may be increased to 10000 to enable me to carry on stock farming successfully. In my letter on this subject and I understand

I naturally wish it to be so when

Your obedient servant

The contents of those letters have been  
forwarded to the Colonial Office, I pointed  
out my reasons for requiring a  
larger area than 5000 acres,

these reasons being based on  
practical experience of stock farming  
in British East Africa.

I should like to hear from you  
Sir, as soon as possible, so that the  
Land Office at Nairobi may be acquainted  
of what arrangement has been arrived  
at.

Because I understood the Land in  
question will be surveyed the end of  
the year and as my original application  
was the first on the list of applicants.
