REGD JAN 13

Under Secretary  
of State Colonial Office

Sir

Referring to Mr Read's number 36474 of  
 of 26<sup>th</sup> November I should be much obliged if I might  
 be informed as to whether my application is likely to receive  
 consideration at an early date in view of the fact that I am  
 offered employment as Manager of an estate under a public  
 company.

Will Mr Read in view of his practical  
 acquaintance with East African matters be willing to  
 grant an interview to an old East African Sergeant?

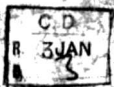

I could call any time after 11 a.m. on  
 Friday or other day if more convenient to Mr Read.

I am

Sir

Yours very respectfully

Edwin Brand
