Sir,

I am directed by Mr. Secretary Harcourt to inform you that he learns from Mr. [redacted] Harcourt that the outstanding questions connected with the proposal to lease to you an area of land on the Mau Reserpment have not yet been settled and that it is necessary to go further into the matter.

You will remember that in your original letter dated the 8th of June, 1917, applying for the grant you

 not for a single individual, but for
 the trustees of an estate whose
 beneficiaries numbered eleven persons,
 and that the application covered that
 of Mr. J. M. Drury for himself and for
 Mrs. Drury-Lavin, and that of Mr. Hill-
 Williams, and that, therefore, the area
 sought for each individual was small.

It is understood from Sir P. Girouard
 that those who were originally associated
 with you in the application are no longer
 connected with the enterprise. In these
 circumstances, ~~others being into the matter.~~

Mr. Haxcourt would be glad to be informed

 is made and what guarantees you can offer
