His Excellency

The Governor,

The rapid increase of trade of the Protectorate and the consequent rush of work at the Fort render it necessary for me to have more assistance.

I was not here when the Estimates were framed, being absent on leave, or I would have put in for more Officers.

I require the following increase to the Staff:-

- 1 Assistant at £.250 to £.400 by £.15 per annum.
- 3 European Clerks at £.180 to £.200 by £.10 per annum without pension rights.

or

at £.180 to £.180 by £.10 per annum with pension rights.

Plus £.40 House allowance per annum in both cases when Government quarters are not found.

One of these has already been applied for to fill the place of Mr. Bedford who is resigning.

I trust Your Excellency will recognise the

necessity

(8)

necessity of increasing the Customs Staff.

I suggest that H.M's. Commissioners of Customs be asked to select an Officer of the class of Mr.Cox recently selected by them and three men from their Staff of Customs Preventive men, their ages to be between 20 & 25. Fuller particulars have been given in a minute to the Chief Secretary asking for the selection of a man to fill the vacancy caused by Mr.Redford's resignation.

J. M. J.
Chief of Customs.
