I thank the Hon. Secy for the Admiralty for his  
Secretary's account to reconsideration of the question  
of the ~~question~~ of the local loan due to ~~imposed~~  
and cannot but think that his previous decision  
was arrived at on a misapprehension of the facts  
of the case.

1 - I understand that my right to the  
leave is contested mainly on the ground that it  
is conditional upon an additional  
experience being involved for an officer to return on

2 - The same reservation was mentioned  
to me at the time of my accepting the appointment  
in 1902. The first reference to it occurs in the  
Foreign Office letter N<sup>o</sup> 13 dated the 5<sup>th</sup> of November  
1903, on behalf of the Admiralty, and references  
invited to my reply N<sup>o</sup> 22 dated the 4<sup>th</sup> of December

Account -

4. I was authorized in October 1902 to take my Special Leave for one year commencing on the 1st of January 1903 to improve the foreign office and at the same time proposed that I should be employed in the office of the Secretary of State and in a way that I might be informed about my progress in specially assigned work.

5. The appointment of a European Clerk was considered "who should be capable of assisting you generally and of replacing you during your absence." (Foreign Office letter No 13 dated the 14<sup>th</sup> of June 1901) and this arrangement was considered as permanent - "not to terminate with my return from such leave as the Secretary may be pleased to give to me after the expiration of my present agreement." (See para 4 of my letter No 23 of the 12<sup>th</sup> of July 1901 and Foreign Office Reply of the 23<sup>rd</sup> of August 1901).

6. I am of the opinion that I have all along been absolutely entitled to this one month Special Leave for one year, on full pay, whereas I have enjoyed it only, three times on leave.

eleven years -

7. I have since practically the 26<sup>th</sup> of May 1906 carried on the work of the Agency without the assistance of a European Chief Clerk although such assistance was also sanctioned permanently - has remained as at my post, in spite of ill health beyond the date upon which my 14 years were completed, and has completed the transfer of the work entrusted to me by his statement -

8. In view of this I trust his statement will be pleased to record my own by resignation and would accept his consent to the following -

9. By your letter of 20<sup>th</sup> 1912 dated the 21<sup>st</sup> of February 1912 it was contemplated closing the Agency about the 31<sup>st</sup> of March 1912 and extending the term with pay for which I would then have been qualified in order to bring my service including leave up to 14 years. The work was carried on for 5 more days up to the 31<sup>st</sup> of March 1912 and I now beg that his
