Mr. Holtzley.

I returned the papers to you yesterday.

This seems to require looking into - if, as I fancy, they have docked the charge in respect of all bedrooms ~~and~~ except the private ones.

Mr. Manning

Herewith. I have marked on the old list all the items on this one list except "Servants sitting room" which I cannot identify. We are to give up the principle that all bedrooms are to be included on the list. P. G. is agreed to the new list.

I certainly don't think the General Dept. would
advise you to waive the general rule that the
percentage should be paid in respect of all
bedrooms. You would be opening a very
dangerous door!

15 February 1913

I have the honour to acknowledge
the receipt of your telegrams
Nos. 871 and 197 of December 27,
42 and January 1st, 1913,
respectively regarding the amount
due by Sir Percy Curzon on
account of rent of furniture
in Government House, London,
during his tenure of office as
Governor of the East Africa
Protectorate.

2. The account enclosed is the

gross amount due to the
State of New York for the
services rendered by the
attorney at law, but as he has
been removed from office of the

attorney I send you a copy of
his letter, in which I shall be
glad to receive your observations

in detail. I would draw

your special attention to

Sir Percy's remarks about

the attic bedroom, as he

contends that there were no

bedrooms for the whole period

for which he has been charged

rent.

3. I request that at the same

time you will submit an

affidavit in which the

rent for the premises in all

the bedrooms ~~is~~

included, as an acceptance

with the existing regulations,
the percentage charged should
be waived - instead of any
bedroom.

I would suggest that you
recommend the desirability of
withdrawing the practice of
annual payment for these
charges.
