The CA rang up this morning to know whether the Draughtsman to succeed Gordon (File 417 hereunder) is to have incremental salary £160 by £15 every 3 years to £205.

In dept on this paper 10/27 we told them to engage a man on the same terms as Gordon £160 (as per agreement).

Apparently Gordon was appointed before the new incremental salary £160 £15 every 3 years - £205 came into force.

In Est. 1910-14 all the Draughtsmen are stated as with salary £160 ~~£150~~ £160  
So Gordon's successor should have the incremental salary.

I told CA to wait till they heard from us.

? now correct on letter of 2<sup>nd</sup> April?  
dept on 10/27 explaining that Gordon was appointed before the new scale of salaries was instituted.
