Dr G. Fisher

We have consulted the papers.

Mr. Wason came to see me about this to day. I need to say that the papers are not in the hands of the Dept. It appears that Mr. Francis Williams (see

attached to H. J. C. ) is still "submerged" about the matter, but Mr. Wason says that "if we will send him a copy of this Dept. & me: he will write to Mr. Francis Williams & reassure him."

Send Mr. Wason privately a copy of the Dept. & me: "I will write to Mr. Francis Williams & reassure him."

No 565

31 March

14/10/13.

Native Civil Hospital,

Mombasa,

March 31st 1913.

Sir,

I have the honour to report, in reference to correspondence your Office No. 21/602/1 dated 20th. instant, that Gurdit Singh, Custom's Askari, was treated for one month in the Native Civil Hospital for Gastritis with vomiting, general debility, and Syphilis.

He stated on admission that he had served 15 years in British East Africa and was 50 years of age (looks about 40). His chest measurement is 31 inches, and height 5 feet 3 inches.

He complains of Rheumatic pains in bones and joints, probably due to syphilis, which he states he acquired 12 years ago. He had a syphilitic gUMMA (Tertiary Syphilis) on the right shin which caused him a considerable amount of pain; this has healed under anti-syphilitic treatment.

On account of the above history I recommended his discharge from the Custom's Police service.

I have &amp;c., &amp;c.,

Native Civil Hospital.

Principal Medical Officer,

## Instructions referred to on page 1

If this Paper of Particulars and the Certificates connected with it, be not sent in original, the copies must be duly attested.

**Head 1 of Papers.**—In the case of an Officer serving on the West Coast of Africa, a statement is to be added whether he is a native of that Coast. (Colonial Regulations, § 140).

**Head 3.**—State the description of Allowance for which the Applicant is recommending, viz. Superannuation Compensation, Compassionate Allowance, or Gratuity, and its amount. In the case of Persons claiming an addition to their Pension in respect of Professional or other special qualifications, this should be stated, and a reference should be given to the authority under which the claim is made.

**Head 5.**—If the service has been interrupted by one or more breaks, the word "broken" should be added before, or after, the number of years and months, and the causes, dates, and circumstances of the break or breaks should be stated under heading 4.

**Head 6.**—If the Person retiring has been in receipt of the same Salary or in the class from which he retires, for the 36 months immediately before the date of his retirement, the actual annual rate of Salary or Wages at that date should be inserted, preceded by the word "actual." In other cases the average annual amount of Salary or Wages for the 36 months next preceding the date of retirement should be inserted, preceded by the word "average," but if the whole period of service is less than three years, then the average for the whole period of service should be inserted.

**Head 7.**—A separate statement should be inserted of the average Annual Value for the 36 months immediately preceding retirement, of each household (exclusive of salary or wages) which is claimed to be included in the calculation of the Pension or Gratuity.

When the value of a House or House Allowance, so ascertained, exceeds one-sixth of the Salary and other emoluments which count for Pension purposes, it is to be reduced to one-sixth of that amount, so that it shall not exceed one-seventh of the whole.

Fees which an Officer is allowed to retain for his own use will be taken into account for Pension purposes, with regular salary, at the annual average of the net receipts of the 36 months next preceding the Officer's retirement. These net receipts are to be ascertained by deducting from the gross amount of Fees such Office Expenses, &c. as an officer may have had to defray from his own resources, in performing the services for which he was remunerated by Fees. No reduction, however, from the Fees should be made in respect of Office Expenses provided from Public Funds, for the discharge of those duties to which a Fixed Salary is annexed. Papers of "Particulars" when forwarded to the Colonial Department should be accompanied by formal Declarations from the retiring Officers, showing the amount received by them for Fees, and the amount defrayed as above for Office Expenses, in each of the three years immediately preceding the retirement. It will be the duty of the Colonial Government concerned to satisfy themselves of the accuracy of such statements before forwarding them to the Colonial Office.

In the case of Officers receiving Fixed Salaries and Fees, the Fees will not in ordinary circumstances be allowed to count for Pension purposes to the extent of more than one-quarter of the Salaries, and Fees will not in any case be allowed to count for Pension purposes during any period in which the whole time of the Officer receiving them was not given to the Public Service.

**Head 8.**—In cases of infirmity, if the Applicant is below the ordinary age for retirement, a Medical Certificate is to be furnished, showing that he is disqualified by infirmity of mind or body for discharging the duties of his situation, and that such infirmity is likely to be permanent.

In case of ten years' service or more, this Certificate should be signed by two Officers, of whom at least one should, if possible, be a Salaried Officer of the Government.

**Head 9.**—As to "broken" service see Head 5.

If the Applicant has had any "acting" service, the details must be fully given, with a statement whether or not, during the "acting" service, he was connected with the permanent Civil Service of the Colony.

**Head 11.**—If, in special circumstances, a professional Civil Officer has been allowed to have "private practice" without forfeiting his claim to Pension, the facts are to be fully stated.

**Head 13.**—If the Applicant is liable to any deduction from his service under Clause 102 of the Colonial Regulations, the facts should be fully stated.

**Head 14.**—The length of service and other particulars of the computation are to be given. When an average of Salary, &c. is taken, the mode of calculating it (whether by months, &c.) is to be explained.
