Estimates 12/13

-17155-20

£293,724

14,547

£308,571, but of this £82,208 is due to money not having yet been spent (which ought to have been) and will become so spent.

£131,343

The free balances are therefore only

£226,383, but this is satisfactory

except compared with the estimate of £69,078.

293,724  
224,655  
£69,078

Pending an explanation of the £82,208, the important figure to notice is the 22% <sup>excess</sup> ~~increase~~ in actual revenue above the estimate - nearly 24% <sup>increase</sup> ~~above~~ the revenue of the previous year (£729,078)

Wals 18/7/13

[Note: The expenditure will require examination when the accounts come home

Actual expenditure £961,178

Expenditure to be carried forward £82,208

£1,043,386

Authorised expenditure £1,028,840

Does not know the authority 14,546

is given for this £14,546
