Richard L. G. Felder

At the present moment I suppose that we cannot do more than the Gov. indicate, but it does not carry us very far. If the Italians via Suva can work up trade - as indicated in my report - we ought to be able to do the same via Mozambique. I feel sure that the question of trade with Abyssinia should not be lost sight of - I wish to see what

(b) In accordance with the opinion expressed by the Inspector General, King's African Rifles, two posts are shortly to be established by the Uganda Administration at Mago and Lukotas on the Western frontier of the area occupied by the Turkana. In the meantime, the Governor of Uganda has decided to take no further action, as experience will show later what is the best procedure to be followed. I concur in Sir Frederick Jackson's opinion.

(c) The medical arrangements are receiving my earnest consideration. A hospital assistant is being sent to Kidal.

2. The salary at which it is proposed to engage the Indian salutri is 296 per annum rising by annual increments of 24 to £120 per annum.

3. I have already informed you in my despatch K.A.R. No. 24 of the 16th of May that the expenditure for the current financial year will be met by the postponement of certain works. £500 for passages of the women has also been included, making a total of £6,628. I have referred to the question of the extra company for Zanzibar in a separate communication.

I have the honour to be,

Sir,

Your humble, obedient servant,

On instructions from  
the Governor.

No. 31 K.A.R.

Sir,

I have the honour to acknowledge the receipt of your despatch No. 409 of the 30th of May on the subject of the military forces of this Protectorate and to offer the following comments on the points raised by you in paragraph 6:-

15/2/15

(a) I fear that it will be impossible to relieve the King's African Rifles detachments at Kulal and Ngabotok for some time to come. The recent skirmish with the Abyssinians at the former post, reported to you in my despatch No. 436 of the 7th of June, and the unsettled condition of affairs on the Northern Frontier in general render it imperative to retain a detachment of trained troops in this locality.

you  
22/7/25

The detachment at Maragwet has been relieved by Civil Police. The 12 men of the Moyali detachment at Wajheir are to be relieved by Armed Constabulary. I will not fail to furnish you with the requisite report on this force as soon as I am in possession of full details.
