Mr Parkman

Only that I think you will probably
have to go eventually to private contractors
I suggest that in writing to the Mint
you should ask definitely whether the
Mint will be able to undertake the order
before date you think suitable [the P.S.
you give no deposit date], & ask that if
not they will send you an early reply so that

to the Secretary Highways

I understand from Mr. Baynes that
Mr. G. Diddle has held that
the procedure suggested above
is the proper one - i.e. write to
Mint & send copy of corresp^{ce}
to Treasury for infⁿ - but
possibly where a Pt. is still
in receipt of a grant in aid, as
Uganda is, we should adhere
to the previous E.A. practice
of writing to the Treasury
asking them to arrange
with the Mint.

1 copy of C.A. letter send
to Treasury ask them to
if you wish to the Mint for
the supply of coins required.
I add that Dept. will be
glad to have what is the
earliest date at which
the coins ^{could} ~~can~~ be supplied.
as it is undesirable to delay

The arrangement may be made.

And ? and why ~~some~~ little (Trav. LF int).
