Sir,

On receipt of your despatch No. 12 Treaty (20889/12) of the 23rd ultimo, I addressed a Note to the Minister for Foreign Affairs stating the reasons why it was not possible for His Majesty's Government to accede to the request of the Belgian Government for the surrender of the fugitive offender M. Kapsopoulos from British East Africa and explaining that if extradition were impracticable it might be possible in certain circumstances for the Governor of the East African Protectorate to deport the man as an undesirable if the Belgian Government would supply His Majesty's Government with the "dossier" of the case and if the facts thereby disclosed were of a nature to make deportation permissible under the provisions of the Immigration Restriction Ordinance of 1906.

I now have the honour to enclose copy of the reply which I have received from M. Davignon wherein His Excellency states that it is not the intention of the Belgian Government

Yours faithfully,

Herbert Grey, G.C.M.G.

etc. etc.

to apply for the eventual expulsion of Napsopoulos from
British East Africa. 212

I have the honour to be with the highest respect,

Sir,

Your most obedient

humble servant
