Minerals reserved to Crown  
under Land Ord. Section 5

shaly stone clay lime & sand be excluded  
from ————  
boundaries of lands & be. Advocate  
strongly recommended matter next report.

(Minutes)

Mr. Read

Understand from a telegram  
I saw in the paper that the reason  
of this telegram is that the Nairobi  
people not taking a share of the  
Crown Lands duties, which reserves  
all minerals to the Crown including  
those here mentioned, have indicated  
-ed to demonstrate its absurdity  
by pegging out claims & venturing  
about for clay ground on Govt.  
lands in the middle of the  
town - under a 6 of the Regs  
the Mining Ord. (in volume  
length).

In par 13 of Col. Montgomery's  
remarks on the amendment of the Land  
Order. Lease. "It will be necessary  
to modify article 3 to make it clear  
that an owner or leasee can take  
with a stone on his own property  
his own use without payment.  
Thinking of a stone or home quarry  
lawyer for the sake of its jurisdiction  
should be subject to an order  
rent or royalty."

The above proposals add home owned  
to the unconfined ~~articles~~ products  
groups nothing about a royalty.

Some mentioned the telegraph  
Products quarried may be included  
subject to terms as to royalty.

in Mont 13<sup>th</sup> par. of  
Montgomery's minute of 26 Nov.

I agree - in fact and the  
subject under consideration for some time  
but there were difficulties in the way of  
making rules which would suit the various  
conditions -

I shall see to it that the same  
provisions be applied

8/10/07 & article proposed?
