UGANDA RAILWAY
CONGESTION OF TRAFFIC

*199. Sir J. R. Ross.—To ask the Secretary of State for the Colonies, whether there has been such congestion this season on the Uganda Railway and connected steamer service as to render it difficult, if not impossible, to send cotton and other produce across the lake and down to the coast; whether such produce accepted for transport has been lying for months at the wharf; and, if so, what steps are being, or will be taken, to relieve this situation. [Wednesday 15th June.]

but should be going to make a statement on the subject in the House to-morrow

Reply

I would refer the hon. member to the statement which was made by the Under-Secretary of State for the Colonies in the House of Lords on the 11th of this month.
