P. 28 MAR 13

I have laid before the Lord Commissioners of His Majesty's Treasury Mr. Reed's letter of the 26th instant (9321/1913) and its enclosures, on the subject of the purchase of land on Mombasa Island by the Government of the East Africa Protectorate.

In reply, I am to request you to inform Mr. Secretary Harcourt that in the circumstances represented My Lords sanction the immediate purchase of the pieces of land required by the Government on the Island as shown in the schedule in Mr. Hobley's memorandum.

My Lords note that Mr. Harcourt proposes to fix the expenditure on the purchase of these sites at a maximum of £7,000, exclusive of the expenditure already approved on items (e), (f) and (g) of the schedule, and that the Governor will be requested to meet the cost as far as possible from general savings on the approved Estimates of the Protectorate. In the event of sufficient savings not being realized My Lords agree that surplus balances may be drawn upon for the difference.

I am, etc.

Sir,

Your obedient Servant,
