In the reports of 2/9/14 on *Oxyphrynos*
 we laid down ^{23/11/13} that all reports
 doctors must make the course in
 venereal disease. We do not
 get names from the W.D. about the fee
 for the monthly course, but it is not
 likely to be large & I do not think
 we should hold matters up for lack
 of that info. if our men are ^{available} ~~available~~
 for a course.

I agree
H.S.H.

At present our Uganda M.O.s on leave
are -

- Collyer - leave exp. in England 26 Feb.
- Reford - " " " " 29 May.
- Marshall " " " " about Sept.
- Mr. Connell " " " " just about to arrive

Collyer has attended the *Int.* course during
 his leave: Reford is now doing the *same*
 2 part course: Marshall has just
 done the *same* ordinary London course
 Mr. Connell is the first to be inf. on the P.O.
 about the venereal disease course.

I think it is too late for Collyer to go
 now - but Reford, Marshall & Connell
 all start at the beginning of May.
 This we mean that Reford should have
 a short *etc.* but that *etc.* be considered
 separately.

Dear Madam

With regard to your

letter of Jan^r 14th I quite
agree with you that, under the
circumstances, the course would
hardly do for & qualifying now
for the higher rate of pay, but,
when commencing on the 5th
of despatch I was unaware
of the time (one month, you
say) which ^{the} A. U. 21 people
consider sufficient for such

would, in my opinion, be
 necessary to my success,
 I go me to Bay. Before any
 definite arrangements are made
 out to this matter are made
 would like to consult some
 the Senior men on my return.
 I recalled that it was some-
 what difficult to make out
 the despatch how it was
 proposed to deal with the
 real aspect of the matter in
 Ganda. Perhaps you would
 be kind enough to send me

any other of despatch or
retardation delay will be
in S. Africa, as I am, and
interested in it.

I was sorry I was
able to go over for the summer,
amongst other disabilities, but
no good book available at
Tunis, being in the desert.

I repeat Garland has
purchased you up to date on
other questions.

With best wishes for
your year sincerely yours

Thomson.

The 1st of May, of the 64

Council will arrange
for it to be held on that
date. The names of

Officers distributed to
attend will be

communicated to you

in due course. In order

that ~~each~~ ~~office~~ may

be sent ~~the~~ ~~letter~~,

but ~~it~~ ~~will~~ ~~be~~ ~~glad~~

to ~~have~~ ~~received~~ ~~a~~ ~~reply~~

to ~~this~~ ~~letter~~
