Mr. Harris

The Superannuation Act of 1887 requires a minimum of 15 years service. I have been unable to find a case in which a man with less than 15 yrs. service has been recommended for compassionate gratuity. But the regulations in Form (B) and a man may be recommended for a gratuity on the scale prescribed by section 4 of the Superannuation Act of 1887 and this leaves a loophole.

I put the case and that is 8709 to the Treasury for favourable consideration.
