Will you please consider what action
is to be taken as regards W.

Dennett (if selected) & the other
& son. W. is getting P.S. is getting
for S.A. as to L'pool S.P. W.

We do not want to hold up the
appt. of W. Dennett until the
others are made, if we can help
it - as he did get off by
the boat of 23 May from his calls
at latest.

I can only suggest meeting at
the Lymfood School, referring to the case of about
W. Lyon & Col. Sgt. Mary (Gardner), seaflaming
that W. Dennett is midway between the two in
experience, as he is a ^{certified} ~~qualified~~ fish factor, but has not had
service. (I think it would not do him any harm to
have more than a fortnight's training)
