The U.C. Co. have unexpectedly changed the date of the June & subsequent boats by one day so that the June boat leaves h' Seville ^{on the} 19th instead of the 20th. This means that we have extended leave incorrectly in certain cases.

in future if a similar situation arises they should notify direct the various Pts Govts without waiting for us to write to them - ask them to see that all men officers going by the June boat

The new dates are the first I have ever
 announced for the June & later sailings
 - so that there is no actual alteration
 of published dates on the part of the
 S.S. Co. But we have naturally assumed
 that the 4 weekly arrangement would
 be exactly followed & the change
 is going to give rise to some inconvenience.
 No doubt the Co. will give early
 info. to anyone who has booked a ticket
 & the widow no has shown that he
 thinks the later day is the correct one,
 but we must do what we can to
 prevent a riddle.

Yours faithfully

The C.A. have asked by telephone whether it
 will be necessary for them to sign the 1stst direct

 is due to the incidence of Christmas Day -
 the boat will now leave London the day before
 Christmas Day. Subsequent sailings will not
 be affected by the case which happened on
 night on this paper. All sailings after
 June were affected. I tell them to let Post Office at case ...
