Miss Pope

I should be glad if I might be allowed to apply for one of the vacancies for Female Assistant Accountants under the Imperial Post Office at Mairubi, East Africa commencing at a salary of £125 per annum.

I am Colonial by birth and am in good health. I have had 7 years 9 months service as a Woman Clerk in the Accountant General Department London so have a fair knowledge the work and also 10 months in this office. I speak and write German well as I was partly educated in Germany.
