Our stock of this pamphlet is now exhausted. I would like the permission to reprint it.

P. 8.

No alteration except the note as to application to E. R. M. Shub. I have inserted on copy enclosed.

E. R. M. Shub.

The S. O. has raised question of keeping or releasing the type of this work. We have about 330 copies on hand.

I should very much like to know how many would be necessary for any alterations.

Should the type then be kept or released?

W. H. R.

See note on page 10 attached. I think it would be a pity to
