Mr Stephenson

For recommendation of a candidate please

RSD 6/1/13

Private Secretary

With the vacancy referred to, I recommend the selection of W. Lee (D 4965/13). I have seen Mr Lee and understand that he would be willing to accept should my recommendation be approved, I anticipate that, having regard to Mr Lee's special qualifications, it will be found desirable to limit his preliminary training in this office to a period of not more than three or four weeks.
