Re. Stockings visit to S. Africa

No objection to publication of report as amended. Request printed copies in due course.

~~Prof. [unclear] to read~~  
I presume that the Gov<sup>t</sup> intends the report to be published in the E. A.P. though his telegram Gov/27485/E.A.P. does not make this clear.

? telegraph to Gov<sup>t</sup> PAP with att to our tel on 27485, and say that he may now have the report published\* and that copies should be sent to Uganda and Nyasaland and 10 copies to us. [3 or 4 for the B.S.A. Co. and a copy to Trop Diseases Bureau]

RFD. 7.10.13  
\*subject to certain alterations correction which will be communicated by despatch, & put the rest of the proposed action in the despatch. The B.S.A. Co will probably want several copies & we had better say 25?

I stated we may suggest reproduction

if the only copy of the report to the B.S.A. Co. is the one in the file of the 27485

nest? (see in J. Auden's account on
