Draft suggested cablegram

The East Africa Syndicate announces impossible float Boveril scheme. It wishes to survey whole area of land and sub-divide into suitable blocks for settlers, advertising through publicity and paying Government for each block as and when sold instead of taking up the whole in one block and paying Fifty thousand pounds now. Syndicate considers this in interest of Protectorate. There appears to be no objection. Do you agree.

I am in receipt of your letter of the 13th inst. relating to the matter of the Lease to The East Africa Syndicate Limited. The original Lease to the Syndicate dated the 12th July 1904 was returned by my Firm to the Crown Agents on the 13th of April last, but I send you herewith a copy, which I hope may prove useful. I also enclose a print of the draft Supplemental Deed in accordance with your request.

Yours sincerely,
