Exposition Paper.

"STUDIES IN KISWAHILI"

Series that has been compiled out Oxford Press will not be published with a subsidy of £50 from the Govt. Enclosed Mr Hollis's opinion as to value of book and applies for subsidy.

to Mr Mansley Sir G. Fiddes

The letter from Mr Beech, in which I seem to play rather a prominent part, represents pretty correctly what he said when I saw this piece, except that it rather assumes that, if Govt agreed to a grant, C.O. would agree. He has no ground for this assumption, nor I think that Mr Fiddes would think that the Govt would have to be convinced before C.O. could be convinced as to the granting of a subsidy.

Exposition Paper.

In the case of Capt. Steward's book
the CO. refused to do more than
insure it, in sending the book, to
of Col. & 2 Co. and take
copies. As a matter of fact

to Beech's MS. (wh. I did not
think need be sent to CO. until
the matter had been considered
formally) seemed to me to be
most useful - not the ordinary
kind of book, but a really
practical work with specimen
every day letters in original wh.
he has actually received in Col.

There are precedents for Col.
inquiries towards publication of
books - e.g. 1895/12 G.C. and
3184/10 H. Higgins - As wd.

Beech is actually in the S.A.
service, I shd. be inclined to
give him the assistance wh. he
requires, if the Col. Govt.

agree - but I wd. have it entirely
to Col. - give them as had

in the matter - simply sending a copy of the
statement to the CO. and saying that if
will not forward the MS., Col.
Govt. will be consulted - over
for

for more definite statement as
to what members of the
Govt. the Govt. wd. receive

The cost of it is that we had just
refused, without reference to the Govt.
grant for the publication of
Capt. Steward's book. Grammar,
which is H. Johnson's book, but
which is a book of the same
kind as the one which I wd.
be willing to give for the
purpose.

I think the Govt. wd. be
inclined to do so.

I am not sure how
the Govt. wd. be inclined to do so.

The first thing I noticed
 when I stepped out
 of the car was the
 smell of the sea
 and the sound of the
 waves crashing against
 the rocks. It was
 a beautiful sight
 and I felt like I
 had found a new
 world. The water was
 so clear and blue
 and the rocks were
 so smooth and
 polished. I had never
 seen anything like
 this before. It was
 like a dream. I
 had heard that the
 water was good
 and now I knew
 why. It was perfect.
 I had found a
 new home.

The first thing I noticed
 when I stepped out of the
 car was a sharp contrast
 between the warm sun
 and the cool breeze.
 The air felt like a blanket,
 soft and comforting.
 I took a deep breath,
 savoring the scent of
 fresh earth and flowers.
 The world around me
 seemed to be in a state
 of perfect harmony.
 The colors were vibrant,
 the sounds were clear,
 and the feeling was
 simply amazing.
 I had found a place
 where everything just
 felt right. It was
 a moment of pure
 joy and peace.
 I had been so busy
 lately, so stressed,
 but here, in this
 beautiful spot, I
 felt like I had
 found a new home.
 The sun was shining
 brightly, and the
 birds were singing.
 It was a perfect
 day, and I was
 so lucky to be
 here. I had found
 what I needed.
 I had found my
 place in the world.
 I had found my
 happiness.
 I had found my
 life.
