Game birds  
mica lease in Khamba Province

will call at Co. & Jan to discuss  
above matters

to J. Anderson:

With regard to the game birds, I explained that no definite proposals ~~with regard to~~ had been placed before us & that we were not in a position to do anything.

With regard to the mineral lease, see the specimens of mica beneath. They are smoky owing to escape their having been taken from rock exposed to the air, but they certainly seem to point to a valuable deposit. I understand that Messrs Gladstone Lyell & Co. - East Indian merchants - 36. Leving St. are their financial backers. W.P. asks that the annexed list may
