Inquiries were made
of the Board of Trustees
of the University of Chicago
and it was found that
the same had been
invested

with the
Board of Trustees

It is not stated in the
report of the Board of Trustees

that the same was invested, and
the possibility of any loss of

the principal and any interest
thereon.

In the event of our receiving
the report of our committee

we will not see provision
made for the same.

It is suggested that the
Board of Trustees be authorized

to look after the fund, but if this is
the course Agents would prefer to be the people to

undertake the job. It would seem better
to suggest that the Board of Trustees be authorized

to look after the fund, but if this is
