Railway. Asst Traffic Insp.

Your let 7 Jan. Provision for two - has been made in Est. for next year. As however one of them is urgently required request that CA be made to engage him at once. Salary for current financial year will be met out of savings.

~~Mr. B. H. Bailey~~ Sir J. Fielder

The Sec. Manager might have explained this before. The Asst Traffic Inspectors (two) are provided for in the Est. for 1914-15 at Rs 200-300 (see 267). One is urgently required, and his salary during the present year will be met from savings.

Though savings are available for his salary during the present year, the S.M. was exceeding his powers in committing the Est. to expenditure for 1914-15 without authority (the agreement was to be for three years).

? ~~approve~~ tell CA to proceed, and ~~advise~~ send a dep. to the Sec. saying that CA has been instructed to engage the man as requested, but pointing out that the explanation contained in this let. should have been given at first and the Sec.

Authority of the SJS should have been asked
for some expenditure for the year 1914
which has not yet been approved except
in relation to the magazine.

Very respectfully of the SJS I don't think
the least objection to it can be
made. I think that we should at least
say that the matter is not
the matter approved of the SJS
for the necessary permission to not be
obtained.
