Mr. Stephenson,
Mr. Fiddes,

In connexion with the agreement for the working of soda deposits at Lake Magadi, the Treasury have undertaken to put up money, if necessary, to the amount of £350,000 for the equipment and improvement of the coastward portion of the Uganda Railway. ~~Seventy-five thousand pounds~~ ^{£ 75,000} of this amount has been added to the grant-in-aid for the current year: Mr. ^{Bowen} ~~Boeing~~ has raised informally the question in what manner this expenditure should be shown in the Estimates and accounts of the Protectorate. We had better send a brief despatch to the protectorate, telling them that the expenditure should be dealt with in the manner contemplated in the latter half of Colonial Regulation No. 230.
