GOVERNMENT HOUSE,
NAIROBI,
BRITISH EAST AFRICA.

AFRICA PROTECTORATE

No. 3864

September 13th, 1914.

Sir,

I have the honour to acknowledge the receipt of your Circular despatch of the 29th of May, and to inform you that I cordially concur in the proposal that the official Entomologists of the Empire should meet in London next July. I am of opinion that great benefit is likely to accrue to this Protectorate thereby.

2. The Government Entomologist, Mr. T. J. Anderson, is due to proceed on leave in May and is desirous of attending the Conference. I regret, however, that the Mycologist will be unable to accompany him.

3. Mr. Anderson has submitted a further subject for discussion, viz: "The distribution of parasites of Insect pests; the dissemination of information as to places where such parasites are obtainable, and what attention is necessary during transit on ships".

I have the honour to be,
Sir,
Your humble, obedient servant,

Alanway Beyard

GOVERNOR.
