You, Sat. 507. 26 May - suggest that  
arrangement proposed by Treasury be  
postponed in view of financial position  
African out of the box.

Mr. Bland

We have had several indications of  
serious economic trouble in the  
East for many months. It is a matter of  
convenience only & although it only  
relates to the new accounts to the  
extent of £1500,000, we should prefer  
the Treasury & Government to agree  
to this before we hear with reference  
to 1905 & say that a Government  
agrees with the Govt that the  
arrangement, which was intended  
for convenience only, should be  
postponed for the present.
