Revised

German East Africa

1914

Nov. 4

Our force attacking Longido has
retired to Mwananga, further attack
will be made.

Last previous Paper.

Nov. 43094
Scale

See Bottomley's Report in J. Fuller
see also 43094

As we are preparing to
attack again the reports
cannot have been in any
serious way.

Copies of two films have
gone to I.O. (L.O.) etc to
be for consideration

Egan 5/11/14

copy to I.O. 5 Nov. (43094)
copy to I.O. 5 Nov. (43094)

Next subsequent Paper.

43160

They told us that Longido had that part of
Zone C not advanced in months from
Longido via Arusha. See the red
arrows on the General Staff map herewith
It appears from the former map also
herewith

3, CHESTER SQUARE, S.W.

Dear Davidson,
 I should be greatly obliged
 if you would do what is possible for the use of
 Captain Saerbaach
 as asked for in the enclosed letter
 as an agent of my wife.
 I explained a telegram about
 my friend Col Allison - so
 perhaps you will regard this
 as a quid pro quo.

Yours sincerely
 Herbert Harcourt
