PASSAGE AGREEMENT

Submits form showing proposed amendment of.

Mr. B. Stanley

This doesn't seem a very important point. Don't less the Co. find it very inconvenient at the present time, when steamer's date of sailing are continually being changed at the last moment, to his themselves down to a fixed date in the passage agreement.

If other Depots. concur, this proposal might be agreed to.

WHITEHALL GARDENS,

LONDON, S.W.

22nd October, 1914.

Sir,

ba

With reference to our letter No. 22243/911 of the 12th of July 1911 and previous correspondence concerning the form of passenger agreement to be used by officials appointed for service in the East Africa Protectorates, I have the honour to enquire whether this form and also those used for officials appointed to the other colonies and Protectorates for which we may be responsible by the omission of the words "in the steamer" leaving a blank on the..... day of

These words appear unnecessary and for reason for suggesting their omission is that when even a passenger who has signed one of these agreements does not sail on the steamer mentioned his agreement has to be altered and sent back to him to be initialled. There is frequently very little time for this to be done and we sometimes find ourselves faced with the alternative of either sending out the passenger ticket before the agreement has been initialled or causing the passenger to miss his steamer. The omission of the words specified would obviate this difficulty.

We

The Under Secretary of State,

Colonial Office.

3. We always advise the Colony or Protectorate concerned of the name of the steamer by which the official will travel, and the date of sailing, when sending a copy of the agreement to the Government.

4. I enclose a specimen form of agreement showing the amendments we would propose.

I have the honour to be

Sir,

Your obedient servant,

J. G. French
